AUTHOR'S EXECUTIVE DIRECTIVE № 15032026-SP-E
UNCONDITIONAL BILL OF EXCHANGE ORDER AND RESOLUTIVE DEMAND

AMENDED WITH AFFIRMATION OF IRREFUTABLE PUBLIC EVIDENCE
FOR IMMEDIATE EXECUTION WITHOUT RIGHT OF REFUSAL OR ADMINISTRATIVE DELAY

TO: The First-tier Tribunal (Immigration and Asylum Chamber), United Kingdom
ATTN: Authorized Tribunal Judge / Secretary of State for the Home Department
CASE REFERENCE (APPEAL): RP/50266/2025
PRIMARY APPLICATION ID: 3434-0379-4625-2594
LEGAL STANDING: EXECUTED WITHOUT PREJUDICE — ALL RIGHTS RESERVED (UCC 1-308)

1. MANDATE OF INHERENT AUTHORITY & LAWFUL JURISDICTION

This executive mandate is issued directly by the Author, **Oleh of the Turkovskyi lineage**, standing in absolute honor, truth, and conscience. The Author operates beyond the jurisdiction of corporate commercial fictions, enforcing the supreme law of natural right, birthright, and absolute human sovereignty. The Agent (Tribunal Caseworker / Administrator) is strictly bound by the Overriding Objective and statutory mandates to execute these orders without independent alteration or commercial interpretation.

The primary legal persona **"Oleh Volodymyrovych Turkovskyi"** was established into a private birth trust by my mother, Ruslana Mykolaivna (of the Pryadko lineage), born on 29 February 1988 in the city of Kyiv, Ukrainian SSR. This primary state metric holds senior priority over any downstream corporate administrative databases, records, or digital structures created by foreign administrative entities.

Let it be known to the record that the Author's lawful right to remain and exist unhindered within the geographic territory of the United Kingdom carries a verified duration which **EXPIRES ON 9 JUNE 2026**. Any administrative record, automated flag, or caseworker entry asserting a lack of status or arbitrary termination of rights prior to this date constitutes an egregious material error and a breach of administrative honor.

2. SOLEMN DECLARATION AGAINST DIGITAL ENSLAVEMENT & FORCED ENCODING

The Author hereby places his absolute, unalterable sovereign Will into the public record:

"I DO NOT TRANSFER, SURRENDER, OR YIELD MY INHERENT RIGHTS INTO SLAVERY, CAPTIVITY, OR FORCED DIGITAL INDENTURE. I POSSESS ABSOLUTE LAWFUL AUTHORITY OVER MY PHYSICAL AND OPERATIONAL RECORD."

Consequently, I officially declare my total refusal to support, consent to, or participate in forced digitization, automated biometric profiling, or the serialization of my living existence into corporate databases. The state apparatus and its commercial sub-contractors (including UKVI and TLScontact) are strictly prohibited from using my biometric profiling or digital identifiers to diminish my legal personality. You are commanded to preserve my operational record as a living man and respect my freedom of conscience and personal autonomy under Article 9 of the ECHR and the Human Rights Act 1998.

3. INCORPORATION OF IRREFUTABLE PUBLIC EVIDENCE (ESTOPPEL BY PUBLIC NOTICE)

Let the Tribunal and the Home Office take judicial notice of the absolute fact of public proclamation and legal notification. The status, sovereignty, and declaration of volition of the Living Man, Oleh of the Turkovskyi lineage, has been formally entered into the public realm via open media circulation.

This status is definitively proven and supported by **EXHIBIT E-1: Public Notice of Acceptance in Gift and Declaration of Status, published in the Official Periodical Newspaper "Aviso", Issue No. 4, dated 14 April 2026**. This public publication constitutes an absolute commercial and legal Estoppel. Having been openly manifested and unchallenged within the prescribed legal timeframes, this notice stands as uncontradicted truth in commerce and law, binding upon all corporate legal corporate fictions and state administrative agents worldwide.

4. MANDATORY TECHNICAL REMEDIES AND ORDERS TO THE AGENT

By order of the Sovereign Sovereign Creditor, the active Agents of the Tribunal and the Home Office are commanded to perform the following technical actions immediately upon presentment:

- **Technical Directive I:** Immediately review and vacate the unauthorized administrative action executed by the Tribunal Caseworker on 05 May 2026 to end appeal **RP/50266/2025**. Pursuant to the 14-day rule, this file must be transferred to a qualified Tribunal Judge for a formal Judicial Determination.
- **Technical Directive II:** Correct all material errors within the electronic e-Visa tracking systems, explicitly reinstating and reflecting the continuity of the Author's lawful protective status up to and including **9 June 2026**.
- **Technical Directive III:** Execute the renewal/extension of the protective stay in the United Kingdom via online administrative paths under the Ukraine Scheme, processing the existing paper records without forcing the Author into involuntary biometric profiling or digital serialization.

5. STRICT LIABILITY & INDIVIDUAL FEE SCHEDULE

Any attempt by an Agent, clerk, or administrator to ignore this Unconditional Order, to refuse the processing of the extension, or to enforce digital compliance through coercion will be formalized as an absolute Administrative Default and a breach of Honor. Such actions automatically activate the private, non-negotiable **Fee Schedule**:

100 TROY OUNCES OF FINE GOLD (.999 PURITY) PER INDIVIDUAL VIOLATION OR INFRINGEMENT.

This debt is fully liquid, non-dischargeable, and shall be levied directly against the personal estate, private assets, and commercial liability bonds of the physical individual occupying the administrative office who commits the breach. Liability is individual and absolute under international commercial law and UCC frameworks.

6. AUTOGRAPH OF THE AUTHOR AND ATTESTATION OF WITNESSES

This instrument is executed in absolute truth, clear mind, and uncompromised memory. All rights are permanently reserved without prejudice. This autograph is a proprietary work of art; unauthorized duplication is strictly prohibited.
